Dear Mr Lack

Requirement to Provide Statement issued 25 March 2011

I refer to the Requirement to Provide Statement issued on 25 March 2011 to the Director-General of the Department of Environment and Resource Management, Mr John Bradley, and served on you.

Pursuant to item 12 of the requirement, Mr Bradley is required to provide information, identify sources and make commentary and provide opinions he is qualified to give in respect of-

'an account of all briefings within his knowledge, verbatim where possible, prepared by the Department of Environment and Resource Management for any Minister or disaster management authority or personnel.'

By way of clarification, I advise that the Commission is seeking an account of all briefings within the knowledge of the Mr Bradley, verbatim where written briefings are not available, prepared by the Department of Environment and Resource Management for him or any Minister or disaster management authority or personnel between 1 October 2010 and 31 March 2011 regarding water supply in South East Queensland, flooding in South East Queensland or the operation of Wivenhoe, Somerset or North Pine Dams.

If you have any questions, please contact [REDACTED] on telephone [REDACTED]

Yours sincerely
