PLEASE RETURN WHITE PAGES.

- Do we need an early warning system for floods?

Yes early warning - several forms of communication
eg phone, radio, person to person
sirens may be.

- Have you ever been involved in a local meeting about flood early warning system?

No

- Would an early warning system work?

Yes for the people at home at time
but residents who workin gattton Toowoomba
it might be flooding before they get home

- Had you been advised by Council, or State Government, the highest flood levels in your area?

No Not Yet

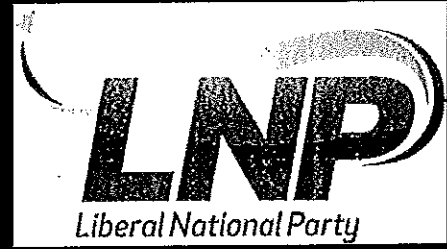

- Had you ever received evacuation information for flood / landslides / fires?

No but look forward to the future
We need a Town emergency team with
a list of roles for each person so people know
who to turn to in time of crisis

Please turn over.

PLEASE RETURN WHITE PAGES

- Have you ever been advised of a flood management plan?

No

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No But I would be happy to be involved

- What do you feel could have been done to make your area safer:-
- Before the flood - better communication between residents + emergency services
each household to have help with individual emergency plan
- During the flood - better communication to each household + proper list of who's
who + proper owners + residents or centers
- After the flood - communication, if evacuated someone stands up +
take charge + so evacuees are informed
- Other Questions or Statements.

Better Flood mitigation?

Better communication between all parties

Keep creeks clean so flow runs away
