Attention Commissioner,

Re Floods in the Postmans Ridge Area.

Photos taken at 205 Postmans Ridge.

The dates are not correct blame old age

The last 2Metres appeared to rise in 3 Minutes

The Previous folder contains jpg files of a moderate flood 10 days previous.
This flood put at least 1Metre of water over the Rocky creek bridge and a large log against the bridge.

The Mov folder contains the original Kodak mov files of the flood.

The Avi folder contains my attempt to convert the mov files to avi.

The After folder contains jpg files taken after the flood.

Regards
Ron Wilson
