- Have you ever been advised of a flood management plan?

NO. But i guess there hasn't really been much need for one until the christmas rain falls and onwards since 2010.

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No

- What do you feel could have been done to make your area safer:-

- Before the flood - Deeper waterways, emergency centre.

- During the flood - updates - alot more regular.

- After the flood - Again same updates and, Town broadcast over speakers, of - emergency centre

- Other Questions or Statements.

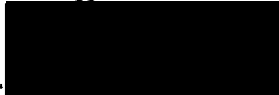

- the situation.

Something needs to be ~~done~~ done about the creek that runs behind the field of the 80 zone area at the bottom of the range. Heavy rain leaves it as a lake onto the highway.

Ensure the questionnaire is filled out.

PLEASE RETURN WHITE PAGES.

- Do we need an early warning system for floods?

We should but it wont be enough warning.

- Have you ever been involved in a local meeting about flood early warning system?

No

- Would an early warning system work?

There wouldn't be enough time. Perhaps a town siren for withcott.

- Had you been advised by Council, or State Government, the highest flood levels in your area?

No but it would be nice to know.

- Had you ever received evacuation information for flood / landslides / fires?

No but it would be nice considering where i live.

Please turn over.
