PLEASE RETURN WHITE PAGES.

- Do we need an early warning system for floods?

No. understanding conditions.

about flooding: the river patterns. knowing levee banks are inadequate. need building up. Also lesson taught in class

- Have you ever been involved in a local meeting about flood early warning system?

No

- Would an early warning system work?

No. only causes panic.

In some cases, such as hospital nursing homes, homes of the disabled. they should be taken to safe places. SES. should have list of where the homes are.

- Had you been advised by Council, or State Government, the highest flood levels in your area?

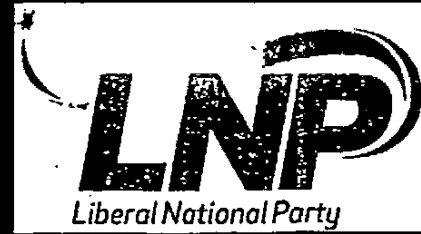

No. but I read the paper,

- Had you ever received evacuation information for flood / landslides / fires?

Yes.

Please turn over.

PLEASE RETURN WHITE PAGES

- Have you ever been advised of a flood management plan?

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No.

- What do you feel could have been done to make your area safer:-
- Before the flood Higher levees, drains made deep
- During the flood Nothing
- After the flood Better organization.

- Other Questions or Statements.

Before roads better system of Levees much higher
 More drains & deeper. then the road.

Ensure the questionnaire is filled out.
