PLEASE RETURN WHITE PAGES.

- Do we need an early warning system for floods?

Yes. A siren similar to the cyclone warning system would certainly be an advantage.

- Have you ever been involved in a local meeting about flood early warning system?

No.

- Would an early warning system work?

Yes; it would give people a chance to escape the flood waters.

- Had you been advised by Council, or State Government, the highest flood levels in your area?

Not to my knowledge.
