- 1/ I think the creek should be better maintained and weirs put in crossing to be built higher better marking of Telstra cables.
- 2/ They take the premiums they should be made to make some payments to flood victims.
- 3/ Unshare.
- 4/ Telstra & Energex need to be able to keep up time supply and a mobile net work needs to be out here.
- 5/ no power no phone how can you get early warning?? (mobile towers??)
- 6/ more wear walls my help to slow the water down the problems were the speed the water was coming down. (I have lots of photos).
- 7/ clean out the creeks and plant the banks with lots of good rooted trees to hold banks together.
