- Do we need an early warning system for floods?

Yes of course.

- Have you ever been involved in a local meeting about flood early warning system?

Never.

- Would an early warning system work?

Yes. definitely. You couldn't save your house but lives & precious things such as photos could be saved.

- Had you been advised by Council, or State Government, the highest flood levels in your area?

No. We have just recently learnt that we have been allowed to build in a flood area.

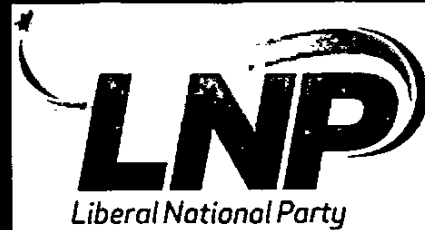

- Had you ever received evacuation information for flood / landslides / fires?

Fires only - from the radio

Please turn over.

- Have you ever been advised of a flood management plan?

No, not even after or during these floods. Except from ABC Radio.

- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?

No. Didn't know there was one.

- What do you feel could have been done to make your area safer:-

- Before the flood - Warning. - Education on what to do.
- During the flood Less media choppers & more rescue.
- After the flood Quick response from Insurance companies
- Other Questions or Statements. Support from Gov't to make all Insurance Claims possible.

Clean up of debris & buildings so that people can get on with their lives. Its very depressing still seeing it all after 2 months Help those who couldn't afford Insurance.

Ensure the questionnaire is filled out.
