NO

- What do you feel could have been done to make your area safer:-

- Before the flood - A WARNING

- During the flood - WITH NO POWER, Water, phone - what could be done? Even ringing 000 was NO NO AVAIL.

- Other Questions or Statements. Because of no phone, electricity on Jan 10, had no concept of what was to perceive - & did not realise the extent of damage until power was restored & saw it all on T.V. So many roads & bridges were destroyed it was impossible to go anywhere to even help others.
