- Have you ever been advised of a flood management plan?
No. Never. I created my own - knowing how high the water has peaked through the lower section of my former house [REDACTED]
- Have you ever been asked to be on or involved with a Floodplain Advisory Committee?
No. If I had, I wouldn't have purchased the worthless block of land [REDACTED] [REDACTED] [REDACTED] [REDACTED] I planned to build my home & bussiness there, but I would never consider that NOW.
- What do you feel could have been done to make your area safer:-
- Before the flood - Have warning, with awareness on areas that get fully inundated with water. I know where to go.
- During the flood - Roads closed and policed
- After the flood - Knowing the facts about it happening again and have full measures in place to prevent loss to property and lives.
- Other Questions or Statements.

I would like to know what is going to happen with the land on the bottom side of Grantham that got 'WIPE OUT'. To me, my block of land is worth nothing to me and who would want to buy it.
