Subject: Monday Meeting

Colin

As discussed, I would like to meet with you in the City on Monday 14 March 2011 at around 11:00am. If this time or place does not suit, please let me know. We will be discussing the timetable and scope for the review work that Seqwater would like you to undertake relating to a number of flood reports.

John Tibaldi
Dam Safety Manager
Queensland Bulk Water Supply Authority *trading as* Seqwater
