No worries Terry. He was very selective with what I said. I obviously wasn't controversial enough. Looks like you guys did a great job.

I think Hedley Thomas has smelled blood. I advised Barton yesterday that you guys will need to get on the front foot with him. It shouldn't be me!

No idea who Mike Obrien is. He is just looking around for someone to talk to him.

Cheers

Greg

Thanks for your supportive comments in today's Australian. Who is Michael O'Brien?
