-  DERM Preliminary Flood Extent (4/04/2011)
  -  Suburb of Redbank

Note: The flood line was created by the Department of Environment and Resources Management with input from Ipswich City Council. The flood line was created using aerial flood imagery that was taken between the 13th to 14th January and pre-flood aerial imagery. The flood line is not a guarantee of the data is dependent on image quality and the ability to correctly feature data. Incompleteness of data particularly in the Ipswich CBD area due to high rise buildings, areas of heavy vegetation and other factors may result in the flood line not being accurate. Feedback and comment on the position of this line is requested from anyone that has information that can be used to refine the line.
